PAW VINNIE'S VETS PAW
We can fix your pets

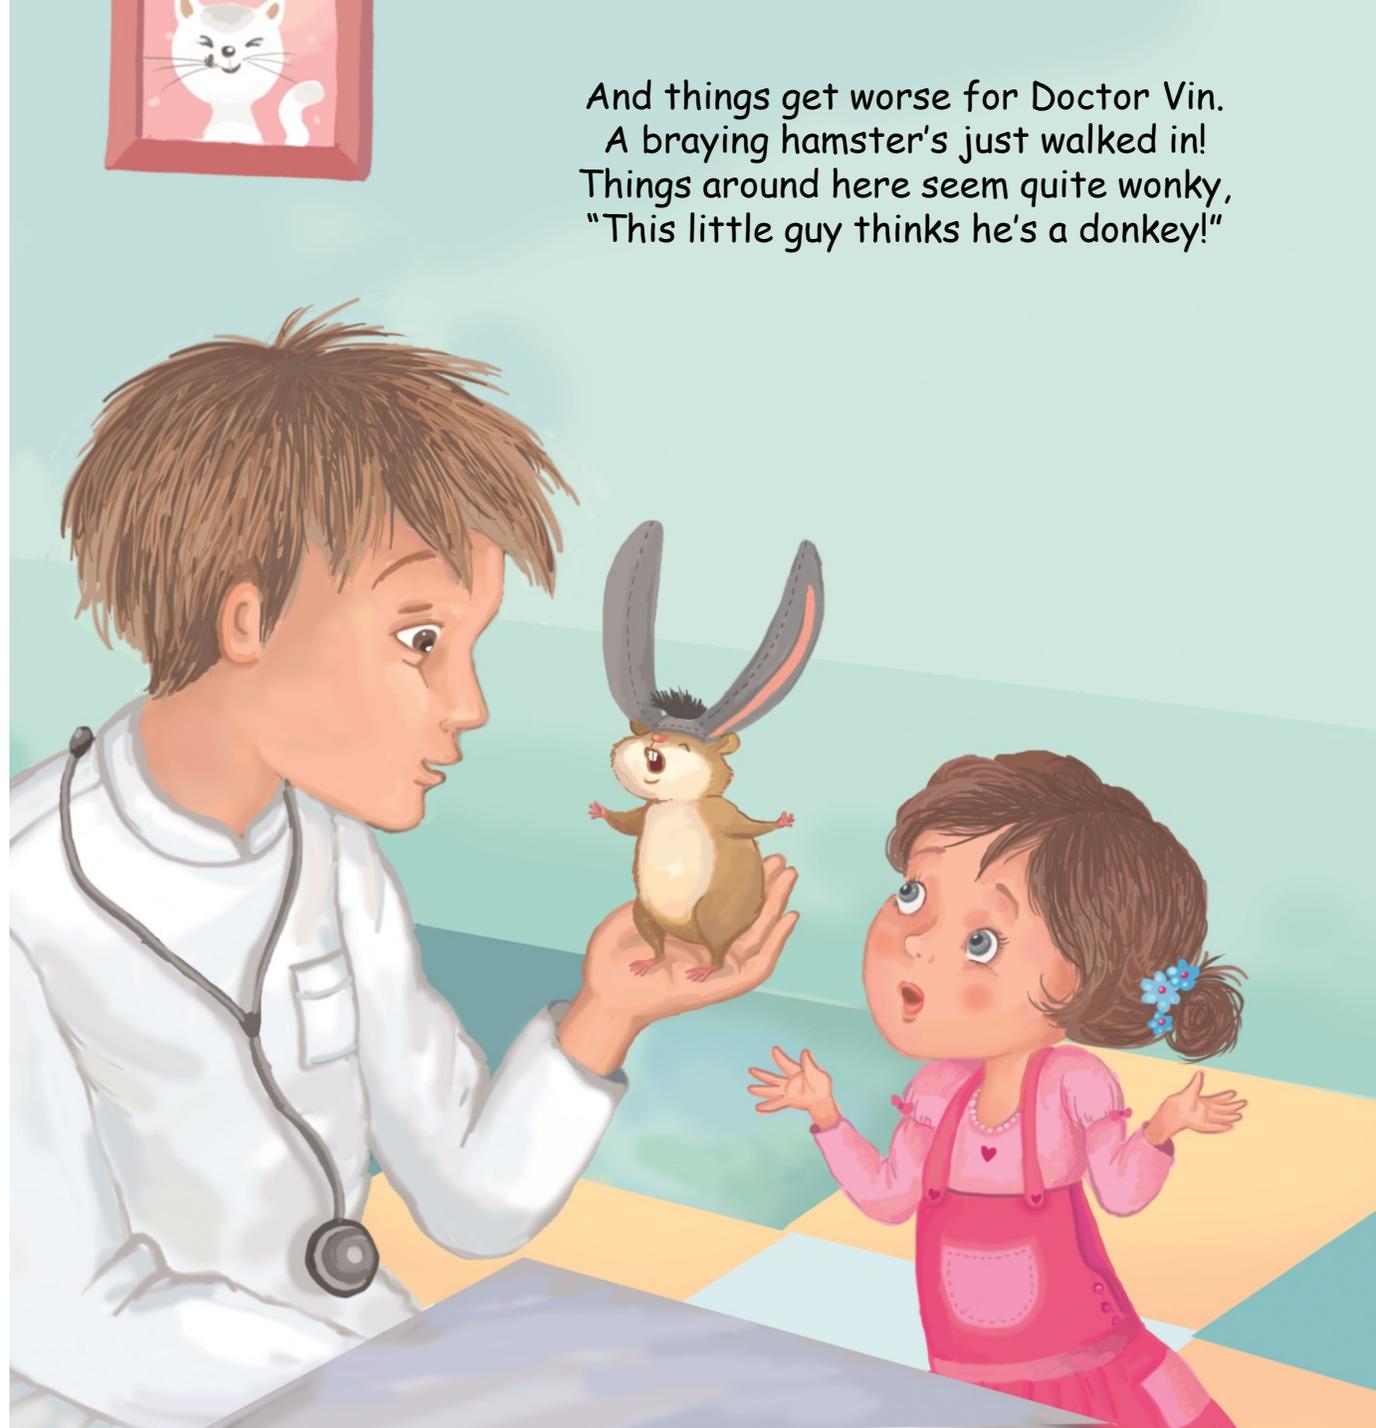

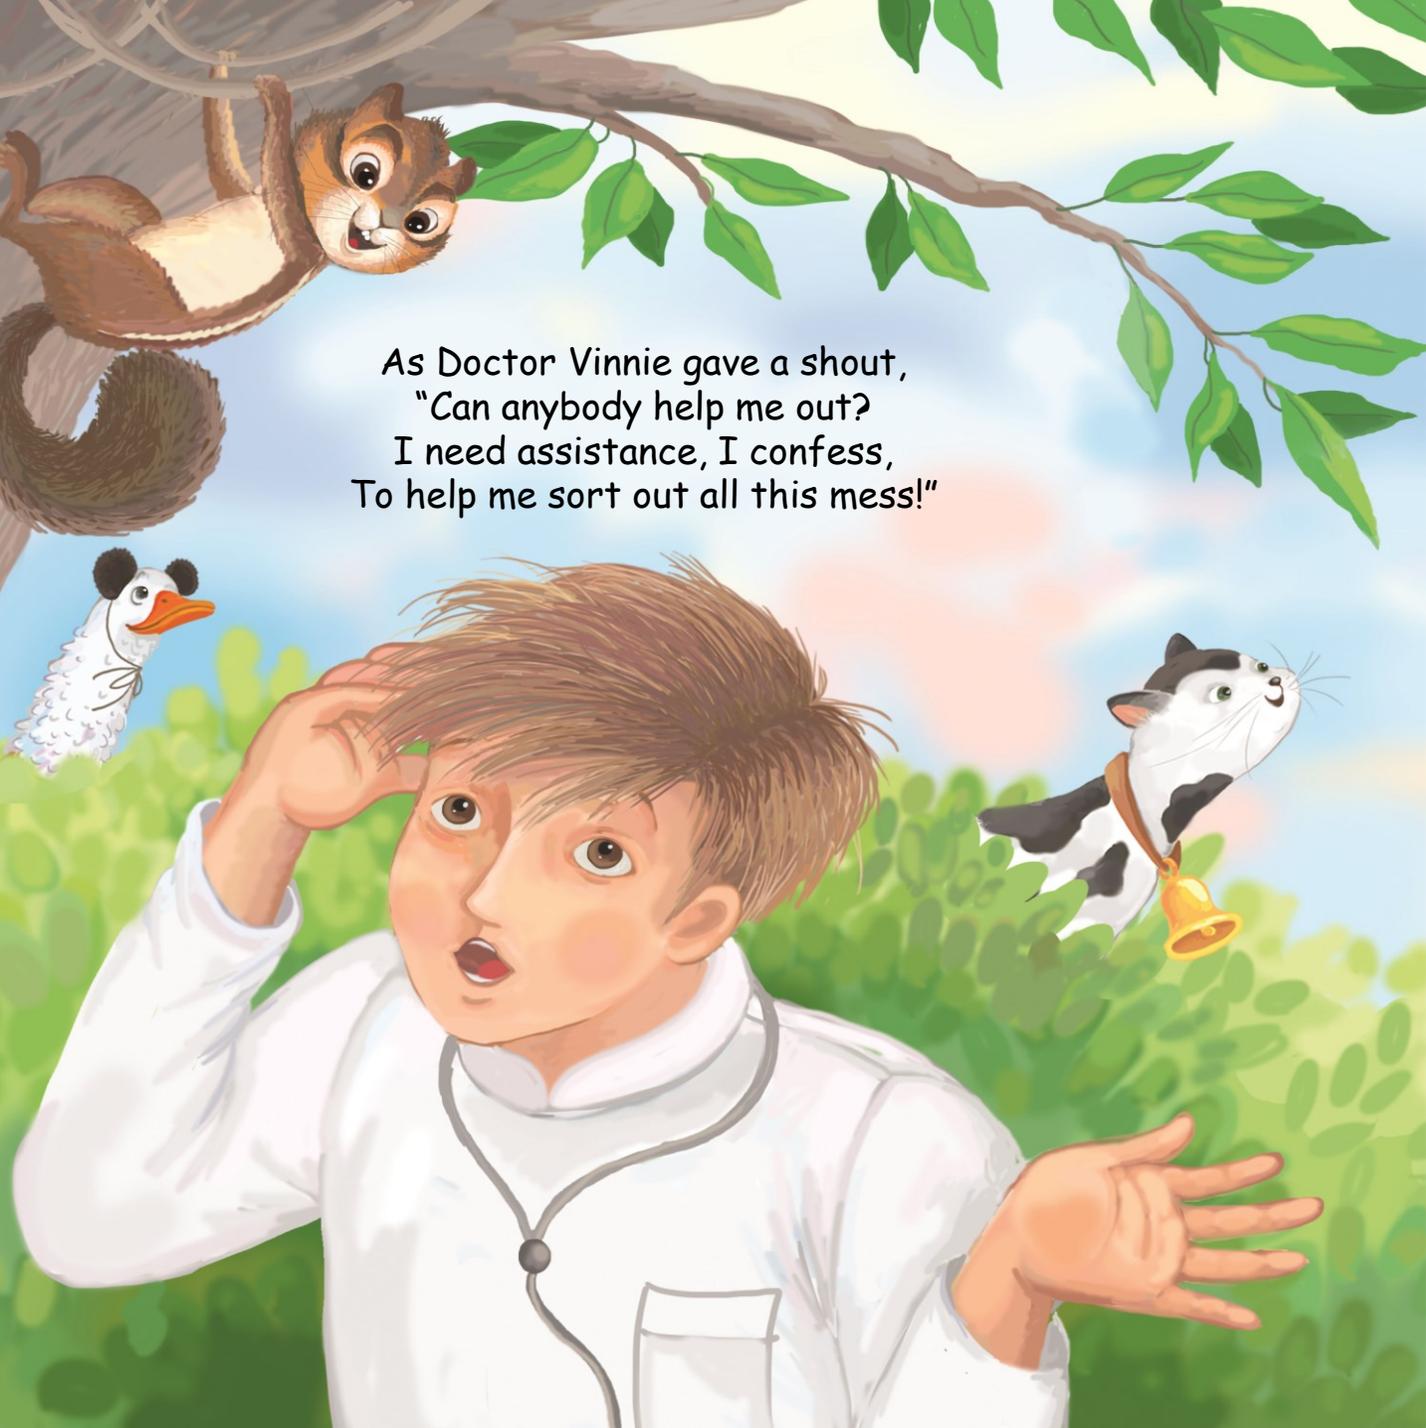

The lights are on at Vinnie's Vets,
The sign says 'We can fix your pets!'
But inside, there's trouble brewing,
Instead of purring, this cat is mooing!

At Doc Vin's everything
is all mixed up!

The critters are all
talking and acting like
some other!

And things get worse for Doctor Vin.
A braying hamster's just walked in!
Things around here seem quite wonky,
"This little guy thinks he's a donkey!"

A colorful illustration of a man with brown hair, wearing a white lab coat, looking very confused. He has his hand on his forehead and a wide-eyed, open-mouthed expression. In the background, there are green bushes and a blue sky with soft clouds. Several animals are floating or flying around him: a squirrel hanging upside down from a tree branch in the upper left, a duck with a white body and black head in the middle left, and a black and white cat with a yellow bell around its neck in the middle right.

As Doctor Vinnie gave a shout,
"Can anybody help me out?
I need assistance, I confess,
To help me sort out all this mess!"

Doc Vin is at a loss
and doesn't know
just what to do!

Come and see how Doc
Vin gets help and helps
all of us see we have a
unique and precious
voice all our own! And
we need to cherish who
we were made to be!

A loud voice squawked, "I understand,
You need some help - I'll lend a hand"
A huge green parrot, flecked with red,
Swooped in and headed for Vin's head.

Mandy Wishmaker is a fantastical tale of a young girl's imagination!

Young Mandy thinks
and thinks of all the
things she wishes
she could be!

...like a chameleon in a tree changing colors as she chooses...

...or a shooting star way
up in the sky!

....or a ladder taking others to the sky....

But, she loves to sit with
her friends have a great
day every day!

GRANDMA SNOWFLAKES

A Christmas Tale by David R Morgan

Grandma Snowflakes:
A Christmas Tale is a
tender look at loss
through the eyes a
young reader.

Grandma JoJo and
Rebecca had a special
relationship.

“Is Jo Jo, snowflakes now?” asked Rebecca,
the day after her grandma passed.

“Yes,” said dad, “I think she is.”

Outside, Winter stroked the welcoming
wood near their warm house.

But, when she passes,
Rebecca finds comfort
in her being Grandma
Snowflakes.

Years before, as a little girl, Jo Jo
had made friends with the enchanted,
glimmering, goose down snow.

**And, every time she
sees the snowflakes,
she thinks of Grandma
Jo Jo and is happy!**

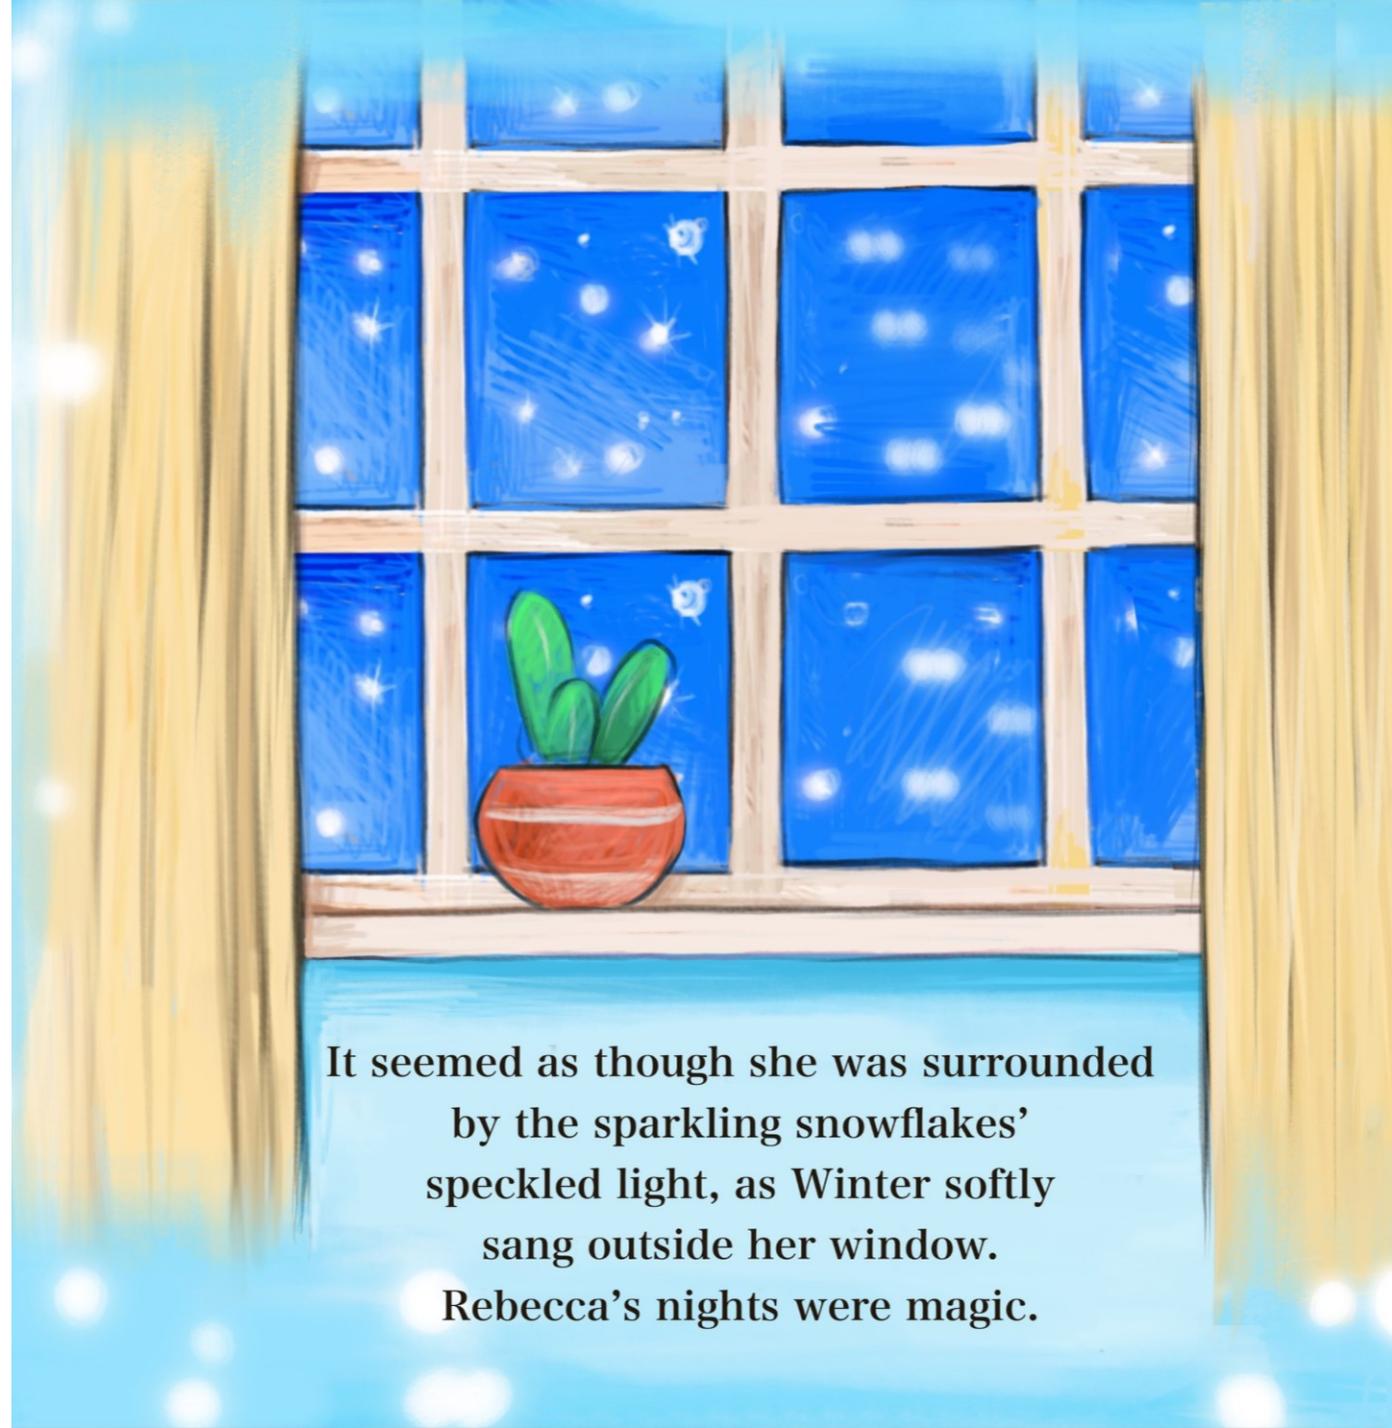

**Like living fairies,
she understood the snowflakes stories and so,
as she grew, no Moaning Glooms could ever
sneak through.**

Jo Jo told the snowflakes' stories to her son and then to her little granddaughter Rebecca.

And now, the memories of Grandma make Rebecca remember all the good times they shared.

**And Rebecca has
made happiness in
the face of sadness!**

It seemed as though she was surrounded
by the sparkling snowflakes'
speckled light, as Winter softly
sang outside her window.
Rebecca's nights were magic.

Fishes

are a-swimming

Story By: Moira Andrew

Fishes Are A-
Swimming is a cute
and delightful book
told in rhyme!

About a little boy
having adventure
under and over
the sea!

All along the sea-bed

Under the BRIGHT
green waves

CRABS are a-crawling
In their PRETTY stripy SOCKS.

He sees crabs with
stripy socks.....

And octopuses with
tweed trousers....

Octopuses are a- LURKING
In trousers MADE OF TWEED

Anemones are A-SWIRLING
and dreaming in THEIR SLEEP

And hushes
