She builds a tent for her first fun thing!

And then pretends to
have a safari adventure!

And a boat ride down a winding river!

Little Leaf Louise

by David R Morgan

Little Leaf Louise is a
magical book about a
little girl who transforms
into a leaf!

One magical night, she
begins to float on the
invisible waves of the air
all around her!

W h e n
l t

She floats out her
bedroom window and
down the city streets
past kittens and cars!

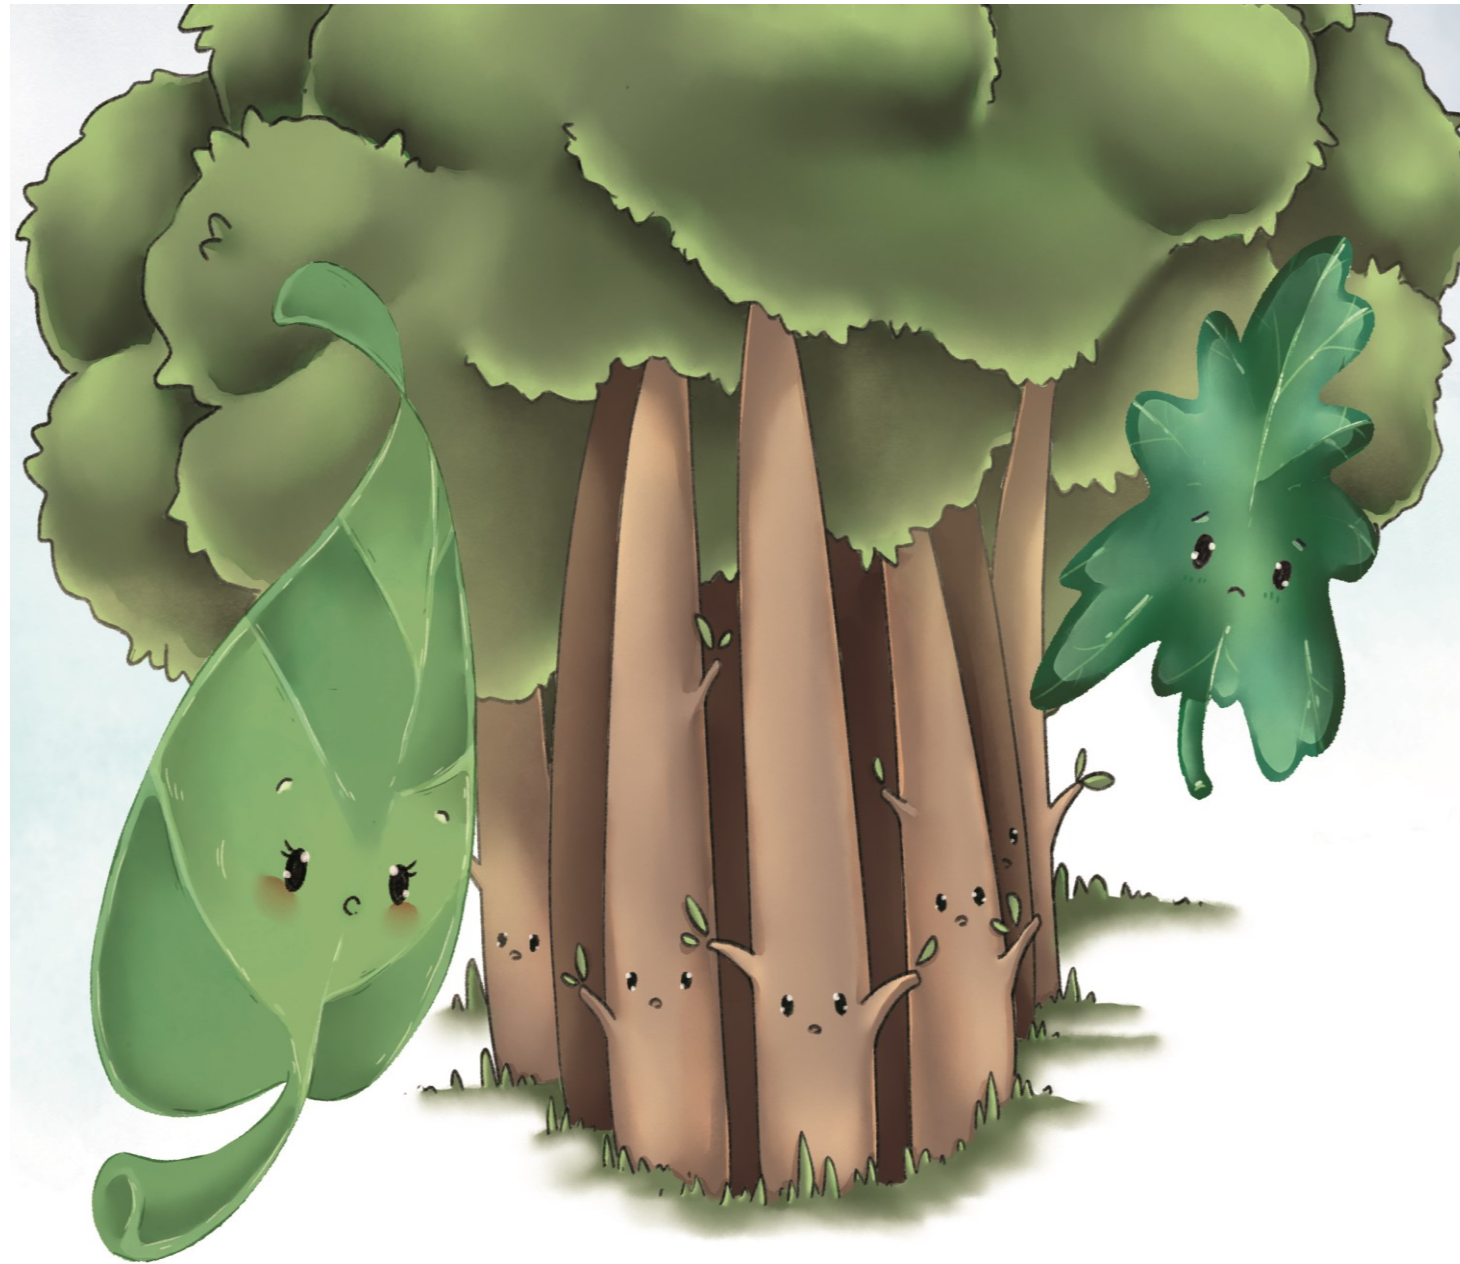

As Little Leaf Louise
continues to float
through the air, she
slides down a slide to
have fun!

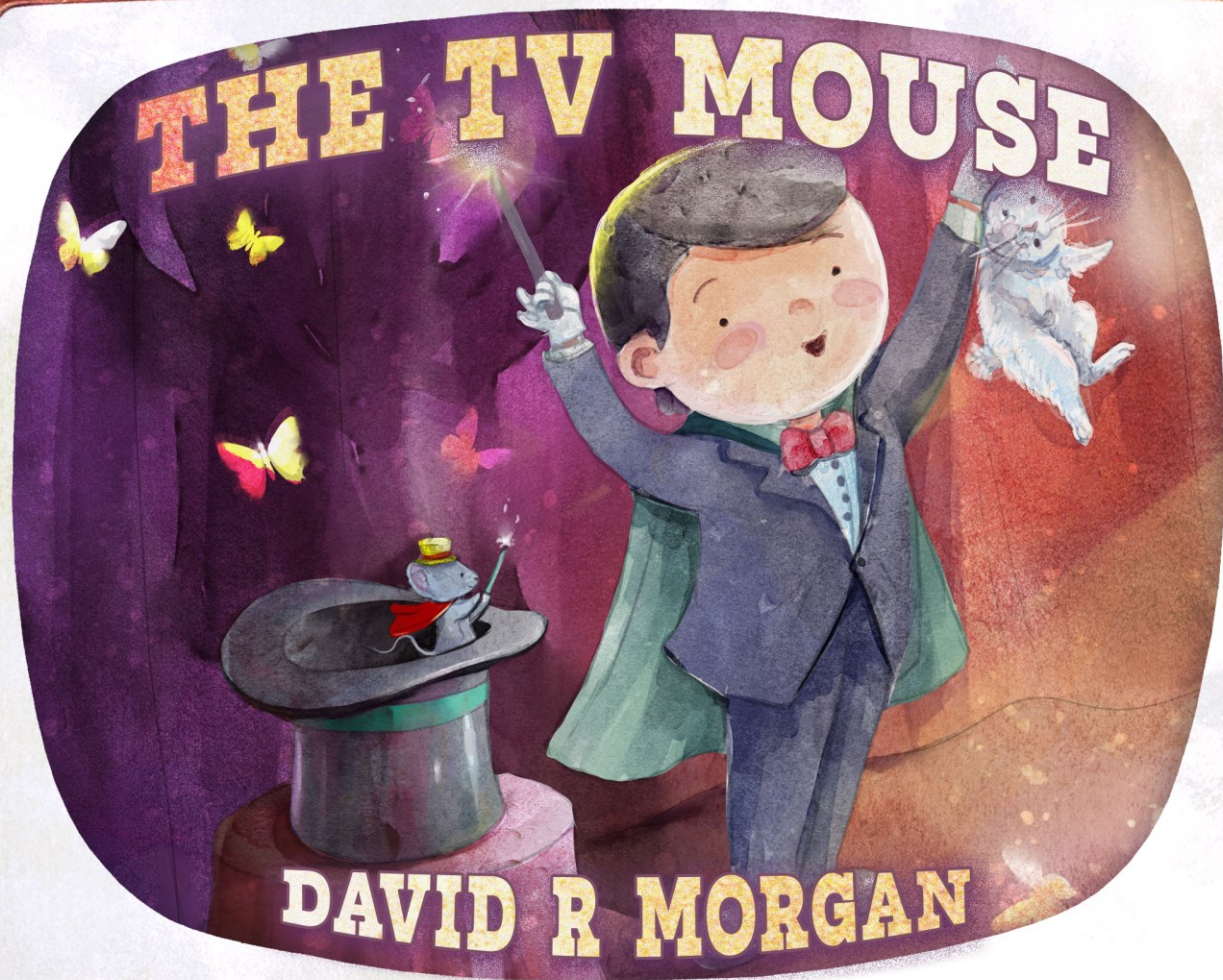

And she shares a seat on
the swing ride with a
special friend!

Then, she is asked to do
a special favor for an
older struggling tree...
Come, see how Little
Leaf Louise saves the
day!

TV Moue is a 'Just for Fun' book about Charlie – a little mouse who lives in a studio!

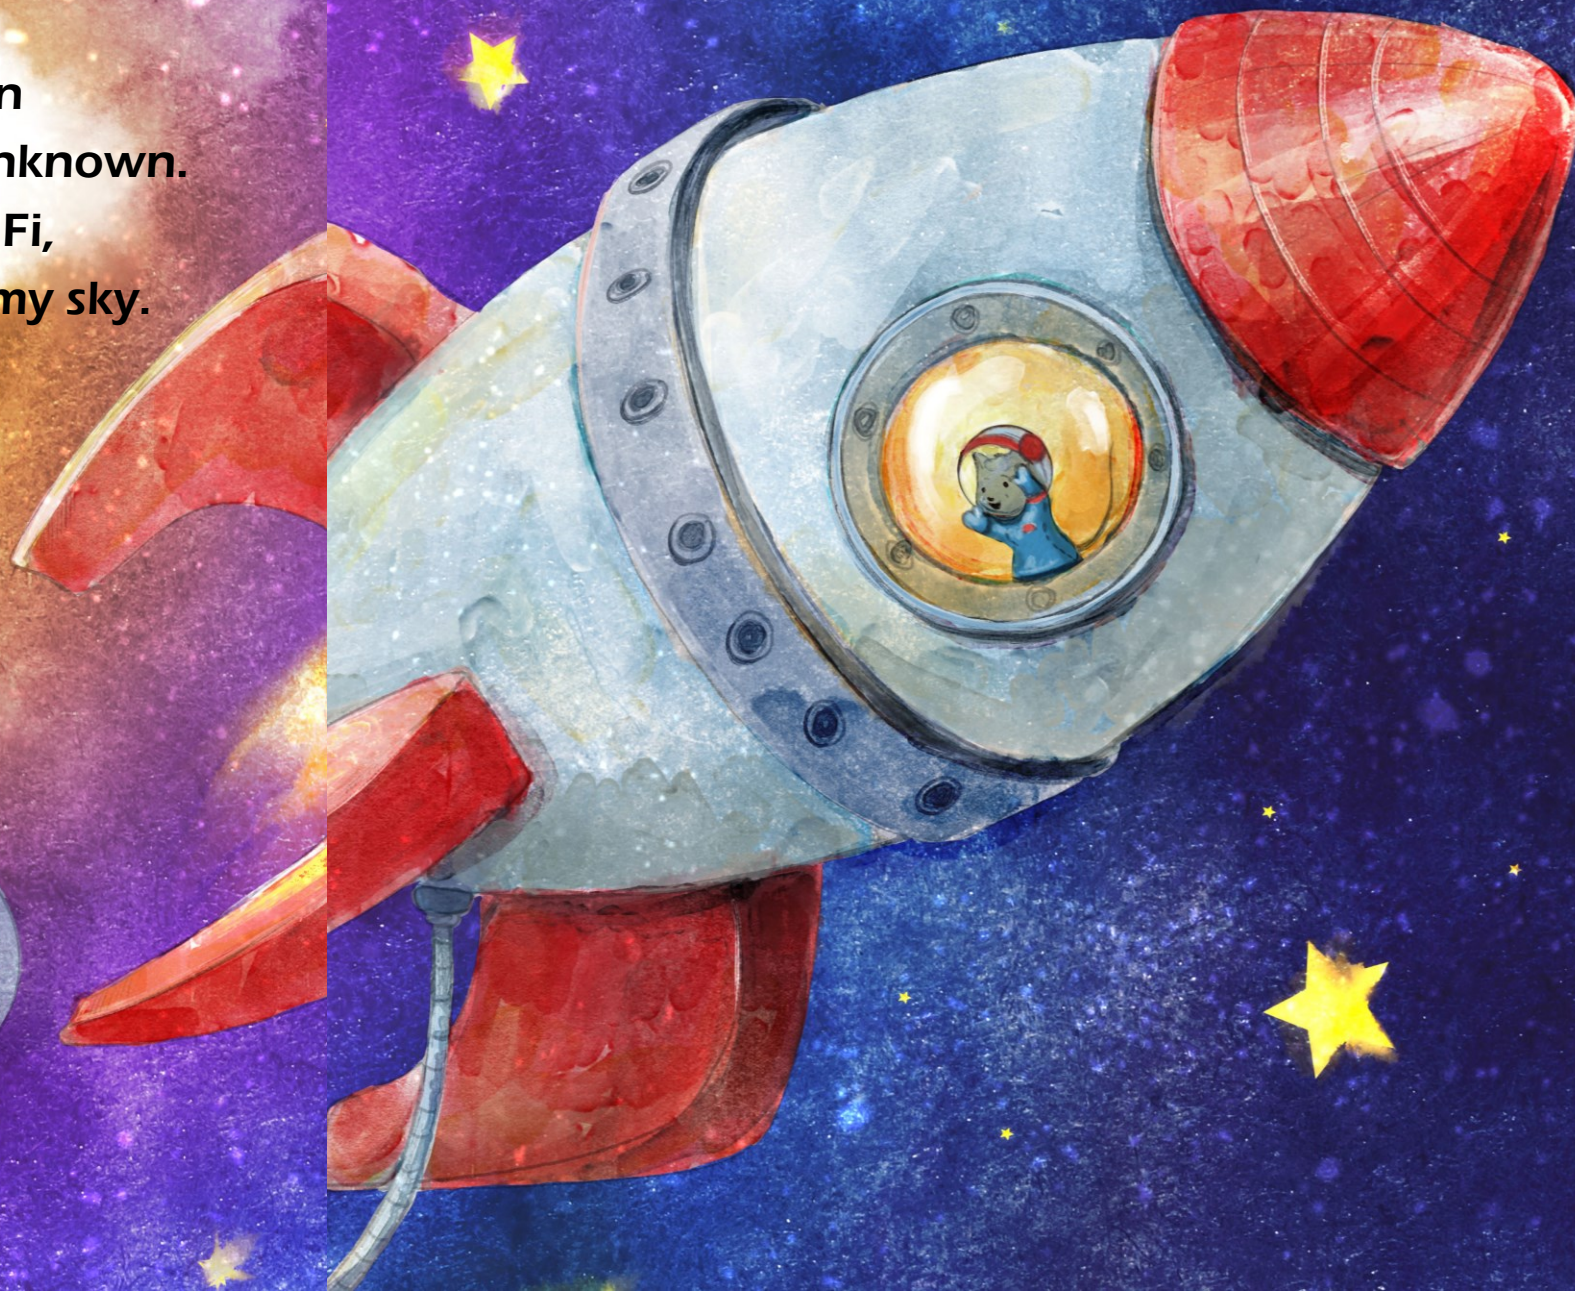

**Once upon a time there was a mouse,
Who didn't live in a field, wood, or a house.**

**Charlie was his name; with not far to go,
For the only place he lived was a TV studio.**

This cute little mouse is
a wonderful mouse for
every child and is in
every movie the studio
makes and, boy, does he
have fun!

**When any type of TV was shown
Charlie, in role, was there, although unknown.
Perhaps in a rocket, as part of Sci Fi,
Travelling to space through the stormy sky.**

Perhaps on a pirate ship:
'Treasure ahoy!'

**Or on the back of a horse
with a singing cowboy.**

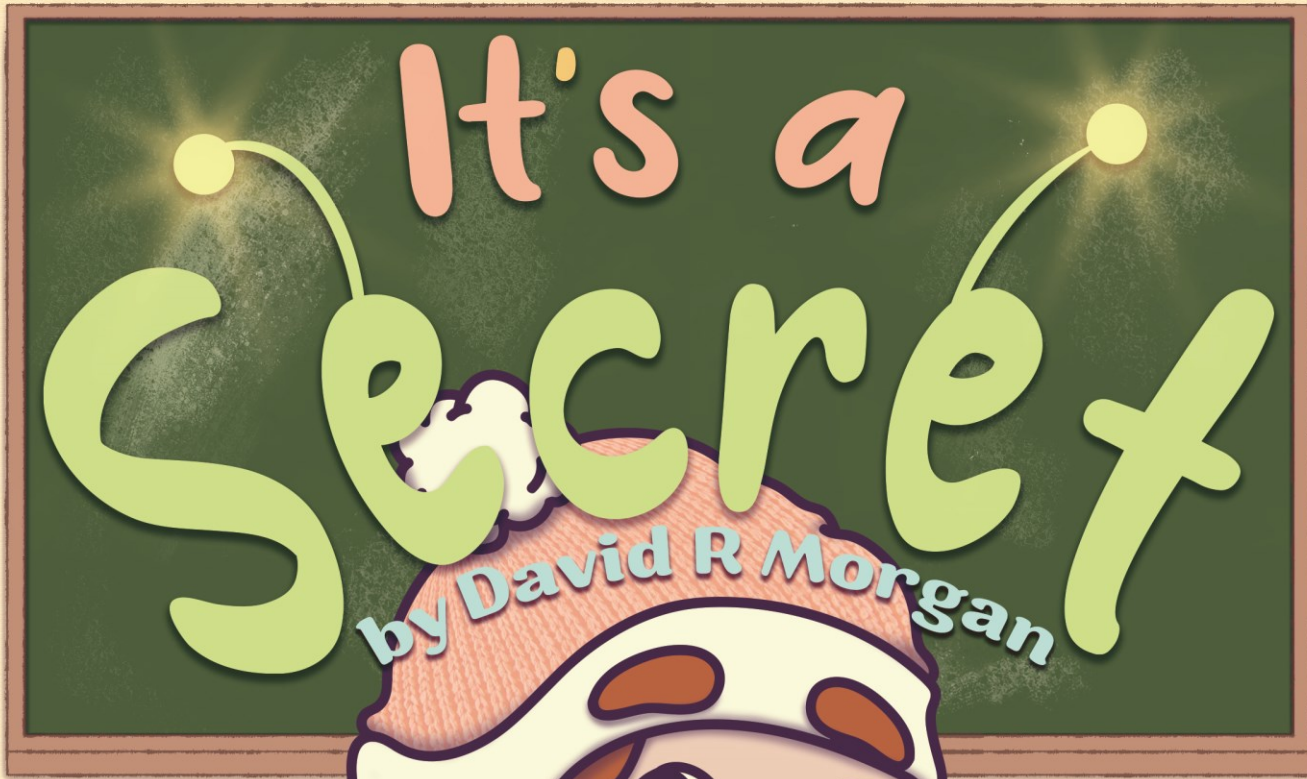

**If a program from that studio should be seen,
Charlie's bound to be somewhere on your screen.**

**Variety, children's, adventure, even animation,
Charlie would always be there without hesitation.**

It's a Secret is a fun book about a little girl from far, far away with magical powers!

Kitty shows up at Sweet Peas Primary School one day with her little hat to cover her little head and her little secret about herself!

But at school, magical things that astound the other students keep happening as she joins the other children in class tasks.

And no one understood
how she is able to make
all these magical things
happen.

Or how she can fly
through the air when
she wants to!

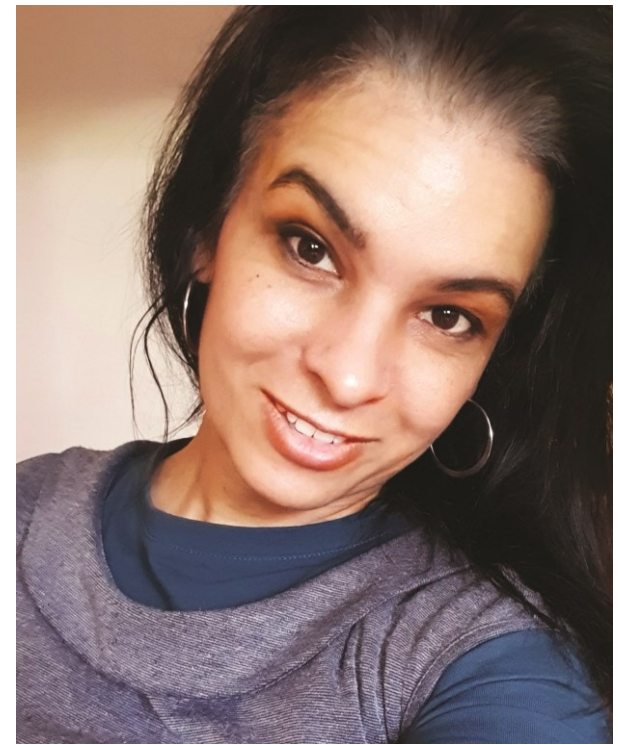

And even jump and save
an elderly man from
harm. Come, see what
the secret is!
